Mr. C. Narasimha Sanyal in similar cases.
When Mr. B. G. V. Mudaliar was a delegate
to the Labour Conference. On this analogy, the
allowance recommended for Dr. K. A. N. Rao
may, I think be sanctioned.

10 The Fin. Secy. was pleased to observe that, strictly under the rules, no charge allowance is admissible for subordinate officers who look after the work of heads of Depts. etc. ~~who are~~ deputed to places outside the State on duty. In view of the precedents quoted, however the Fin Secy ~~was~~ wanted the question to be examined so that some general understanding may be arrived ^{at} so that the practice may be uniform in such cases.

Reference is invited to the note of the Finance Dept., d. 1.7.42 in Doc. 514-41-1 to 4 below in which the financial point of view has been explained. It has been mentioned therein that the grant of charge allowance in such cases "would amount to the creation of two appointments while officers are actually on duty though outside the State". The Minister for Industries proposed that we might have "a Convention that charge allowance will be paid only for periods over ten days". This proposal was agreed to by the Fin Dept & appd by the Dewan also.

outside the State for a fairly long period, though he will be technically "on duty", he will not be in a position to ~~be~~ ^{be} ~~practic~~ to attend to ~~the~~ any portion of his current duties at headquarters. In view of the Convention agreed to, the grant of a charge allowance may perhaps be admitted in all such cases where the absence exceeds 10 days, as a general rule.

13 In the particular instance now under advertence, the period of absence amounts to 14 days & no charge allowance recommended may perhaps be allowed on the above basis
